Positive response to family sales programme

SIMUNJAN: Residents here responded positively to the Malaysian Family Sales Programme (PJKM), which took place at the Dewan Mesra Simunjan car park.

Minister of Tourism, Arts and Culture (MOTAC) Datuk Seri Nancy Shukri said the programme was held following an increase in the prices of goods and it was one of the government's approaches to help the people at this time.

"I myself also had the opportunity to buy and see the public response to items sold up to 20 per cent cheaper than the market prices.

"Among the basic items offered were sugar, flour, cooking oil and chicken eggs while the Federal Agricultural Marketing Authority (FAMA) brings goods from farms and the Fisheries Development Authority (LKIM) brings seafood," she told a press conference after visiting the PJKM here on Friday.

"I also saw a lot of people buying drinks, laundry soap and other basic items.

"The prices are really cheap.

Some customers told me they bought two baskets of items but only paid RM32.

"The response has been quite positive. We don't have a precise number because the programme was only held for two days from Feb 19," she added.

Explaining further, Nancy said that PJKM programme will also be hosted in Gedong in March but the date has not yet been confirmed.

According to a statement from the Ministry of Domestic Trade and Consumer Affairs (KPDNHEP) on Friday, Sarawak has so far implemented PJKM in more than 50 locations throughout the state.

It also covers Kuching, Sri Aman, Saratok, Sibu, Mukah, Belaga, Bintulu, Miri, Limbang, Kabong, Kapit, Santubong, Kota Samarahan, Serian, Sibuti, Bau, Siburan and Lawas.

Also present at the programme were Simunjan assemblyman Awla Dris, FAMA director Abdul Jaafar Lian, KPDNHEP Development Sector head Liew Hui Chang and other representatives.
