农业部：霹跨州禁令引不满 各州可酌情批生猪运送

(布城 9 日讯) 对于霹州生猪跨州禁令引发雪隆屠业行不满，农业及粮食安全部强调，生猪跨州禁令旨在遏制非洲猪瘟的传播，惟州兽医局仍可根据各州情况及条件，考虑猪农要把生猪运送到他州屠宰场的申请。

该部指出，大马兽医局总监发布志期 1 月 10 日禁止跨州运送生猪的指令，是为了防止非洲猪瘟的传播。

降低病毒传播风险

这禁令符合大马兽医协议 (PVM) 中关于非洲猪瘟疾病的规定，

即控制猪只移动或转移，可以降低病毒传播的风险。

该部发文告说，州兽医局仍可根据各州情况来决定是否批准猪农将生猪运送到其他州屠宰场的申请：“至于疫区州属的生猪，则需通过兽医局实验室的检测

及临床监测，以确保猪只并无带病。”

文告指出，动物(生猪)状态申报表必须由私人兽医、农场或饲主、农场业主填写，且需有猪场代码，并附上耳朵刻痕图，确保运送的猪只数量与许可证上的数量相同。

“运载猪只的工具也不允许与其他农场共享，数量需与许可证上的数量相同，而相关许可证仅限于屠宰目的，

并符合运送条件。”

文告说，兽医局预计直至今年 6 月，我国的猪肉维持充足，而该局所采取的措施，符合控制非洲猪瘟传播的既定程序，也保障了食品安全。

雪隆屠业行昨日针对霹州生猪被禁止运到雪州而导致雪隆猪肉供应不足的问题召开新闻发布会，向政府申诉问题并呼吁当局解除这禁令。

农业部:若符合条件 考虑放宽生猪跨州令

(吉隆坡9日讯)农业及粮食安全部指出,只要符合条件州兽医局可以考虑放宽生猪跨州限制令。

农业部今日(9日)针对雪州屠业行召开记者会,控诉霹靂州生猪无法跨州到雪州宰杀,导致雪隆出现猪肉短缺或面临断市一事,做出回应。

该部表示,他们是在1月10日依据马来西亚兽医协议(PVM),透过兽医局发出禁令限制生猪跨州,以防止非洲猪瘟传播,降低病毒进入其他州属的风险。

但农业部表示,州兽医局依然可以根据非洲猪瘟病例州属所提出的申请,在完全符合兽医局所设定的条件下,让生猪运输到其他州属的屠宰场进行宰杀。

农业部指出,生猪跨州必须符合的条件包括生猪来源州,必须获得兽医局的实验室检测及临床检测,确保猪只没有感染病毒;猪只的状态证明必须由私人兽医或农场或农场拥有人填妥,并附上耳牌记号,同时确保运送的猪只的数量及罗里的车牌与准证上的数据相符,并且不能与其他农场共用罗里。

“准证的批准只是用于宰杀而已,同时必须符合所有跨州运输生猪的条件。”

农业部也指出,依据兽医局的观察,截至2023年6月份国内都能够有足够的猪肉供应。

它强调,兽医局所采取的举措,都符合防止非洲猪瘟传播及确保食品安全得到保障的标准。#

(布城9日讯)农业及食品安全部指出,于1月10日通过兽医局实施生猪跨州禁令,符合大马兽医协议,遏制非洲猪瘟病毒传播风险。

该部文告说,兽医局总监是于1月10日发布上述禁令。

该部针对雪隆屠业行今日联合甲洞国会议员林立迎召开记者会,投诉生猪跨州禁令导致雪隆猪肉短缺、价格飙升等问

農業部：遏制非洲豬瘟 禁生豬跨州符程序

题,作出回应。

林立迎指生猪跨州禁令导致霹靂州每天有2000头生猪无法跨州运至雪州宰杀,导致雪隆供应减少80%,造成猪肉每公斤

调涨2令吉,更有不少猪肉贩因没有“货源”被迫休业。希望获得农业部关注,恢复让霹靂州的生猪载到雪州宰杀。

该部文告指出,受非洲猪瘟疫

影响的州属,可向兽医局申请将生猪转移到其他州屠宰,但必须符合条件,有关生猪经过检验后确认无感染非洲猪瘟病毒。

文告说,根据兽医局估计,目前至6月,国内猪肉供应足够。因此,兽医局实施上述禁令符合控制病毒传播的程序,确保食品安全受保障。

陳泓謙： 確保供應平衡 生物安全 管控應對豬瘟

（亞庇9日訊）农业及粮食安全部副部长陈泓谦赞同以生物安全为本的管控措施，来应对国内猪瘟扩散问题。

他也说，针对甲洞国会议员林立迎陪同雪隆屠业行提到雪隆一带的猪肉供应或面临断市的问题，他和部门官员会与养猪业者保持密切沟通，以尽早解决猪瘟肆虐问题，确保猪肉供应和生物安全管控之间能取得平衡。

陈泓谦在脸书帖文指出，非洲猪瘟自今年初在国内多个州属，尤其霹靂与檳城迅速扩散后，农粮部一直都在密切追踪和关注。

“我的部门与全国和州级的兽医局这段期间也不断在开会商量对策，同时现场探察受猪瘟影响的养猪场，以寻找最佳解决方案。

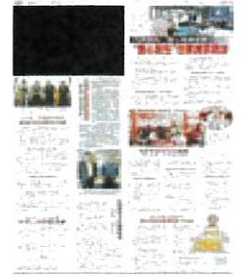

“我在返回亚庇的路上，碰巧在吉隆坡机场遇到槟州首长曹观友，一见面，我们就聊起非洲猪瘟的问题。

“由于猪瘟扩散问题还是相当严峻，我们都赞同以生物安全为本的管控措施依然重要，因为只有做好防控，才能保障粮食安全。”

陈泓谦（右）在隆机场巧遇曹观友，两人就猪瘟扩散问题交换意见。

農糧部：受非洲豬瘟影響州屬

可申請生豬跨州屠宰

(八打灵再也9日讯)
大马兽医服务局 (DVS) 会考虑受非洲猪瘟 (ASF) 影响的州属将生猪转移到其他州属屠宰场的申请，而这项申请必须符合该局设下的条件。

农业和粮食安全部 (MAFS) 今日发文告说，生

猪来源州属必须通过兽医服务局进行的实验室检测和临床监测，确保相关猪只没有疾病。

文告指出，动物 (猪) 状态申报表必须由私人兽医或农场、或动物或动物产品或场所的拥有者填写，并附上猪养殖场的代码和猪耳刻痕图。

文告强调，这还必须确保运输的牲畜数量与准证上的数

量是相同的，运载牲畜的车辆编号与转移准证是一样的，且不与其他养殖场共用。

“准证的批准仅用于屠宰，必须遵守州属牲畜转移的所有一般条件。”

农业和粮食安全部通过兽医服务局在今年1月10日发布了禁止在各州之间转移生猪的禁令，以遏制非洲猪瘟的传播。

Pig farmers fret over ASF with some planning to quit industry

By BENJAMIN LEE
benkh@thestar.com.my

PETALING JAYA: Pig farmers and butchers say that they are worried that the African swine fever (ASF) has reached "pandemic proportions", with some already thinking of quitting the industry.

As certain states with big farms such as Perak do not have well-equipped slaughterhouses, live pigs are usually sent to Selangor to be slaughtered to enable fresh pork to reach customers in the shortest time.

As at Jan 31, the Veterinary Services Department (DVS) has placed an interstate ban on transport of live pigs from Perak and Penang to Selangor.

This has caused a surplus of live pigs in these two states, and lack of pork in other states where the demand is high, especially Selangor.

Perak Animal Husbandry Association president David Lee Chli Yuan said that as most pork retailers and consumers are from Selangor, some Perak farms tried butchering their pigs at the only slaughterhouse in Ipoh before transporting the processed parts to Selangor.

There is no ban on the movement of processed pork parts.

However, due to the slaughterhouse not having a cold storage and most farmers also not having any refrigerated trucks, the meat turned bad quickly and, as a result, could not be transported to Selangor, he said.

He added that Perak farms are currently forced to send most of their excess overgrown pigs to slaughterhouses in Kuantan.

A veteran pig farmer from Melaka, known as Chua, said he culled 2,000 pigs following the outbreak of ASF in the state early last year.

He is now not sure whether to continue rearing pigs as it is too costly and risky, although subsidies received from DVS covered the losses to some extent.

"I've already been selling at a loss during the movement control order from 2020 to 2021. ASF then hit my farm and caused the loss of my entire business."

"I lost over a million ringgit and while we were promised subsidies from the DVS, nothing was announced or given to us for almost a year."

"I am now not sure if I will continue operating pig farms anymore as not only are the costs high but the risks of a random disease popping out and killing my animals are too high," he said.

Govt looking into how to help pig farmers, ensure adequate supply

By ZAKIAH KOYA
zakiah@thestar.com.my

PETALING JAYA: The Cabinet will look into how to assist the commercial pig farming industry, which is being devastated by the African swine fever (ASF), says Datuk Seri Mohamad Sabu.

The Agriculture and Food Security Minister said the ministers also discussed the various types of assistance that could be given in

view of the need to curb ASF and ensure the adequacy of pork supply in the market.

"The Cabinet discussed this at length on Feb 8 as the farmers and the pork industry chain, including consumers, are affected."

"There is a shortage of the vaccines for the pigs as the vaccine from Vietnam was found to be not internationally approved."

"We are now trying to source it from elsewhere," added Mohamad.

On the global scene, a proven vaccine for ASF has yet to materialise.

"The interstate ban stays for now to ensure that the ASF does not spread to pig farms that have not been infected."

"We understand that there is a shortage of pork in certain states, and to supplement this, we will import pork from countries not affected by the ASF to ensure adequate supply," said Mohamad.

At a special meeting at the ministry yesterday, the ministry was informed that as of last year alone, more than half a million pigs were transported from Perak farms to Selangor slaughterhouses.

"We are still in a meeting discussing the best way we can help the pig farmers with surplus pigs," said a source who attended the meeting, adding that a statement will be issued by the ministry soon.

On Jan 15, Bernama reported that

91 pig farms in Perak have been infected with ASF.

Some 8,488 pigs had to be culled at a loss of RM12mil.

On Jan 28, Penang confirmed that 23 pig farms in the state have been affected, with thousands of pigs already culled to curb the spread of the virus which, according to the Veterinary Services Department, does not affect humans.

ASF's mortality rate is usually 100%.

Menu Rahmah initiative attracts interests of other sectors — Minister

KUALA LUMPUR: The Menu Rahmah initiative which offers food at a price of RM5 and below is attracting the interest of other sectors, including healthcare, to provide cheap prices to those in need, especially the B40.

Domestic Trade and Cost of Living Minister Datuk Seri Salahuddin Ayub said there are

medical doctors with their own clinics intending to offer family packages at reasonable prices for the B40 group through 'Klinik Rahmah'.

"To implement this, we need to collaborate with the Ministry of Health," he said when appearing as a guest on Bernama Radio Jendela Fikir programme yesterday.

He said his ministry had also met with several fast-food restaurant operators to get their participation in the Menu Rahmah initiative.

"We have engaged with several restaurants such as McDonald's and Burger King and the results can be said to be positive. There will probably be a 'Rahmah Burger' worth RM5 (at these

outlets)," he added.

Meanwhile, he said the Menu Rahmah initiative, which started with rice, side dishes and vegetables, has expanded to include other food items such as noodles as well as chicken chop and durian, which can be bought for RM5.

Based on the feedback from the majority of traders who provide

the Menu Rahmah, he said they were still able to make a profit.

Menu Rahmah was launched on Jan 31 with the participation of 15,000 food-selling premises in an effort to help reduce the cost of living, especially the low-income group.

Regarding the cost and supply of raw materials, Salahuddin said the supply of chicken is

expected to be sufficient after the end of the monsoon season, while egg supply will be back to normal within two to three months.

"Currently, to overcome the shortage of chicken eggs, the Ministry of Agriculture and Food Industry has imported chicken eggs from India," he said.

林立迎建議獸醫局 允生豬轉移他州屠宰

（八打灵再也9日讯）行动党甲洞区国会议员林立迎建议大马兽医服务局（DVS），可以在考虑不对既定条件妥协的情况下，允许那些受非洲猪瘟困扰的州属养猪场，申请将生猪转移到其他州的屠宰场进行屠宰。

他说：“提出转移申请的猪只需要通过DVS进行的实验室检测

以确保是无病的，而猪只的状态声明表需要由私人兽医/农场或饲主/畜产品/业主填写、有猪场代码并附上耳朵刻痕图，确保转移的猪只数量和运载的车辆号码与许可证上的相同，且不与其他农场共享。

“许可证的批准仅用于屠宰目的，并且必须符合在各州之间移动牲畜的所有一般条

件。”

他今天针对农业及粮食安全部此前通过兽医服务局总监上个月宣布禁止各州之间转移生猪，以遏制非洲猪瘟散播一事，发文告这么表示。

根据大马兽医服务局的预测，我国的猪肉供应至今年6月都会充足，因此该局所采取的措施也符合遏制非洲猪瘟传播的既定程序，以确保粮食安全得到保障。

Kadar PLKS kru nelayan asing kini RM320 seorang

Kuala Lumpur: Kadar bayaran Pas Lawatan Kerja Sementara (PLKS) bagi kru nelayan asing dikurangkan kepada RM320 seorang untuk sektor pertanian bagi tempoh enam bulan pertama berbanding RM1,850 seorang bagi sektor perkhidmatan untuk setahun sebelum ini.

Jabatan Perikanan Malaysia (DOF) dalam satu kenyataan semalam memaklumkan ia antara usaha kerajaan melalui kerjasama Kementerian Pertanian dan Keterjaminan Makanan (Mafs), Kementerian Dalam Negeri, Jabatan Imigresen Malaysia serta pihaknya untuk membantu pengusaha vesel perikanan tempatan dalam pelaksanaan PLKS kru nelayan asing.

Kenyataan itu menyebut kelayakan had umur nelayan asing ditetapkan hingga 60 tahun bagi permohonan kali pertama masuk ke dalam

negara yang mana pengecualian ini diberi khusus kepada sektor perikanan tangkapan.

“Mafs mengunjurkan keperluan kru nelayan asing bagi 2023 (suku pertama) di Semenanjung Malaysia adalah sekitar 17,486 orang. Sehingga kini, 10,063 kru nelayan asing lulus PLKS.

“Secara keseluruhan, keperluan kru nelayan asing di Semenanjung Malaysia, Sabah, Sarawak dan Labuan adalah 24,549. Kelulusan pengajian nelayan asing tertakluk kepada Seksyen 60K Akta Kerja 1955,” menurut kenyataan itu.

Kru nelayan asing diwajibkan memiliki PLKS sepenuhnya pada 1 Januari tahun lalu selaras pewartaan Perintah Pasport (Pengecualian) (No 2) (Pindaan)

2021 dan Perintah Imigresen (Pengecualian) (Pindaan) 2021 pada 28 Mei 2021.

Kelayakan had umur nelayan asing ditetapkan hingga 60 tahun

外籍漁夫工作證費降低

漁業局：首半年320

（八打灵再也9日讯）大马渔业局表示，农业领域的外籍渔夫临时工作准证（PLKS）费用将调低至每人首半年320令吉，而服务领域外籍员工临时工作准证（PLKS）早前的费用则是每人1850令吉。

此外，首次入境我国的外籍渔夫年龄限制也将调至60岁。

渔业局通过文告表示，上述措施是经过农业及粮食安全部、内政部、移民局以及渔业局等协商后所得出的结果，以便在外籍员工临时工作准证一事上协助渔业业者。

农业及粮食安全部预计我国半岛的渔业领域在今年首季度对外籍员工的需求约1万7486人，至目前为止共有1万零63人的临时工作准证获得通过；而全国渔业领域对外籍员工的需求为2万4549人。

渔业局也提到，为减少我国渔业领域对外籍员工的依赖，渔业局正积极通过各种措施和培训以吸引当地小孩投入渔业领域。

此外，渔业局的文告也提及允许40容积总吨（GRT）及以上，特别是凤尾鱼拖网船、C区业者（超过12海里）、C2区（超过30海里）和C3区（在印度洋捕捞金枪鱼）的渔业业者聘请外籍员工。

根据2021年的护照法和移民法，从事渔业的外籍员工必须在去年1月1日前持有外籍员工临时工作准证（PLKS）。

渔业外劳准证费降至320

(吉隆坡 9 日讯) 渔业外劳临时工作准证 (PLKS) 费用在首 6 个月调低至每人 320 令吉。

大马渔业局今日发文告表示，农业及粮食安全部、内政部、移民局与该部合作，致力

协助本地渔业经营者缓解外劳不足的问题。

另外，农业及粮食安全部预测，今年第一季度西马半岛渔业领域所需的外劳共 1 万 7486 人，目前已有 1 万零 63 人获临时工作证。

根据了解，西马半岛、沙巴、沙拉越和纳闽总共需要 2 万 4549 名渔业外劳。

文告指当局正努力通过各种措施及培训计划招募本地人参与渔业工作，以减少捕捞领域对外劳的依赖。

Belanjawan 2023

Sektor pertanian dijangka dapat dana besar

Sektor pertanian dijangka dapat peruntukan yang lebih dalam pembentangan semula Belanjawan 2023 pada 24 Februari ini.

Menteri Ekonomi, Rafizi Ramli, berkata peruntukan lebih itu bagi menarik lebih ramai berkecimpung dalam pengeluaran hasil pertanian peringkat akar umbi.

Beliau berkata, lebih banyak program juga akan diperkenalkan membabitkan pertanian bagi menggalakkan orang ramai menyertai sektor berkenaan.

Katanya, usaha kerajaan adalah untuk memastikan mereka yang terlibat dalam sektor berkenaan kekal mampan dengan menghubungkan pengeluaran hasil

pertanian terutama berkemahiran rendah dengan pasaran.

"Jumlah dan peruntukan kena tunggu pengumuman Belanjawan 2023. Apa yang boleh saya katakan memang ada peruntukan lebih ke-pada sektor pertanian," katanya.

Beliau berkata demikian ketika ditemui pada pelancaran Pemantauan Ekonomi Malaysia ke-27 diterbitkan Bank Dunia bertajuk *Expanding Malaysia's Digital Frontier* di Kuala Lumpur, semalam.

Rafizi berkata, peruntukan semula dalam sektor pertanian itu adalah untuk meningkatkan produktiviti negara dan mengurangkan kebergantun-

gan kepada import.

Beliau berkata, lebih banyak program akan dilaksanakan Kementerian yang bertanggungjawab dan Kementerian Ekonomi juga akan melancarkan program berkaitan pertanian selepas Belanjawan 2023 diumumkan.

Perkongsian pantas data

Sementara itu, Rafizi berkata, kerajaan akan meningkatkan pendigitalan secara menyeluruh di negara ini dengan mempercepatkan inisiatif yang ada dalam MyDigital.

Beliau berkata, kerajaan akan memastikan pendigitalan berlaku secara pantas dalam sektor awam

dengan keutamaan memastikan perkongsian data sektor awam berlaku lebih pantas.

Katanya, dengan perkongsian pantas pangkalan data membolehkan kerajaan melaksanakan subsidi bersasar secara berkesan dan adil dengan menepati kumpulan sasaran.

"Kita masih lagi belum berupaya menggabungkan pangkalan data yang ada di setiap agensi. Dengan adanya pangkalan data berpusat, ia membolehkan khidmat dan proses digitalisasi yang lain dibina di sekelilingnya.

"Justeru, menjadi keutamaan kami ialah kerjasama antara Kementerian dan agensi," katanya.

500 tan bekalan sayur berkurangan

PETALING JAYA: Sebanyak 500 tan pengeluaran bekalan sayuran berkurangan setiap hari dari Cameron Highlands disebabkan cuaca yang tidak menentu sejak kebelakangan ini.

Pengerusi Persatuan Pekebun Melayu Cameron Highlands, Datuk Syed Abd. Rahman Syed Abd. Rashid berkata, antara 40 hingga 50 peratus pengeluaran bekalan sayur merosot setiap hari menjadikan seluruh Malaysia kekurangan bekalan.

"Kebiasaannya, setiap hari 50 hingga 60 lori diturunkan dari sini dengan hampir 20 tan setiapnya, tetapi kini hanya 25 hingga 30 trak bergerak.

"Bukan di negara kita sahaja, negara pengimport kita iaitu Indonesia, Thailand dan Vietnam turut mengalami kekurangan bekalan disebabkan hujan yang berterusan.

"Oleh sebab itu, harga untuk mengimport bekalan sayuran juga meningkat secara mendadak kerana permintaan yang tinggi di seluruh dunia," katanya ketika dihubungi *Utusan Malaysia*.

Kelmarin, akhbar ini melaporkan, bekalan sayur seluruh negara merosot antara 50 hingga 60 peratus disebabkan hujan sekaligus melonjakkan harga sayuran di pasaran.

Hujan yang berlarutan sejak hujung tahun lepas menyebabkan bekalan sayur semakin berkurangan tetapi permintaan semakin meningkat.

Syed Abd. Rahman berkata, justeru penanam disaran menanam sayur jangka pendek iaitu sayuran berdaun seperti kangkung, sawi dan pak choi kerana mengambil masa yang pendek untuk matang berbanding sayuran seperti cili dan tomato.

"Cameron Highlands mempunyai 500 hektar tanah untuk menanam tomato, buat sementara waktu separuh daripadanya boleh digunakan untuk menanam sayuran berdaun," ujarnya.

末沙布：水災影響 菜價上漲短暫現象

（亚庇9日讯）农业及粮食安全部长拿督斯里莫哈末沙布今日指出，水灾影响蔬菜调配，造成国内一些地区因供应量减少而菜价上涨，惟相信只是暂时现象。

“我相信，一旦气候恢复正常，一切都会恢复正常。”

莫哈末沙布今日主持农业银行流动银行服务推介礼后，向记者这样表示。

“大马目前气候变化不定，包括彭亨、吉兰丹及登嘉楼在内的多个州属发生水灾，许多稻田遭洪水淹没，稻农损失惨重。”

“蔬菜供应方面，我们面对同样情况，一些地区因供应量减少而菜价上涨。”

非产量造成

“供应量减少是调配与运输问题造成，并非产量。”

莫哈末沙布已指示联邦农业销售局（FAMA）评估国内哪些地区面对蔬菜供应不足的问题，把蔬菜过剩地区的蔬菜调配到缺乏蔬菜供应的地区。
